## 2.7 Study activity responsible

Events are done for the year. May have to change events due to Corona, but planning for a normal day. Making a schedule for all days in the week. Monday - open for social events, Tuesday - reading night for BA, Wednesday - reading night/anthrobreakfast, Thursday - SAPU meetings but also seminars or social events, Fridays - moving anthrobreakfast to Fridays as a good way to end the week. Looking into the SAI schedule - being decided at next meeting.

## 2.8 Social Media Coordinator

Discussing the new name - English vs Norwegian. Finding a name in Norwegian - difficulties surrounding the name. Moving this discussion to allmøte in January.

## 2.9 SAF (UIO Students of Social Anthropology)

Discussing departmental dinner/drinks/hang out - connecting students and professors. Taking it into next year.

## 2.10 ASA

Not officially happening/formalised. Has been a project for 2 years, but now Elise is part of NAF, and so we need to create this position - we finally have a voice in one of the largest Social Anthropology organisation in Norway - this needs to be made into a formal position at the General meeting

---

## 3. Updating the diploma

SU working on creating it easier for students to get jobs. Making the descriptions on

the diploma more relevant to the sector you are going into - for the job market, not only the academia. It is still a block of text, but has more meaning - it will be backing you up in the market and has more relevance in terms of bachelor. as we are Picking tracks on during the masters - this should be mentioned on the diploma as a key element.

#### **4. On the future of SAPU - what are we doing next year?**

---

##### **a. Final rapports**

Creating a document discussing what we did this year and what we want to do next year. Elias suggested adding on the already existing document as well.

##### **b. Allmøte/General meeting - first week of Jan?**

Suggesting the 2nd week in January instead.

---

#### **5. Bachelor graduation**

58 students if everyone graduates. We do not have a final budget yet. Discussion surrounding the graduation in general

#### **6. Any other matters**

Budget being worked upon. Looking into different events. Suggestion to get one MA

and one BA on both President/VP and 2 people doing study activities, both MA and

BA. Bringing it to the group chat and the general meeting in January. Questions on the

student forum being discussed.

Bringing the T-shirt issue into next semester.
